*So, God created humankind in his image, in the image of God he created them; male and female he created them.
Genesis 1: 27 (NRSV)*

Dear Sisters and Brothers in Christ,

Autumn has begun and the leaves are just beginning to turn to the vibrant colors of the season. It is time for long drives soaking in the glory of God's miraculous earth. The reds and yellows and oranges glow will last for only a fleeting time. Take a moment to enjoy the season, praising God for its beauty and light before it is gone.

I read something interesting about leaves changing colors- they do not actually change! In the fall, we are seeing not the changed vista of foliage, but the true vista.

In the summer when trees are flowing with chlorophyll, the true color of the leaves is hidden behind all that green. Only when the level of chlorophyll is lessened do we see what the leaves were all along. They are not one mass of green, but brilliant, individual gifts of glory. Each one is special. We simply cannot see the gift until autumn. All summer long we are surrounded by beautiful variety of color that we cannot perceive.

In the eyes of God, we are not just one more member of the forest but individual gifts of beauty. God does not see us as one of many green leaves, but as we truly are created to be. God sees individual brilliant and precious creation in each of us.

We are created in the image of God. We are created in goodness and holiness even when our true colors are masked by the concerns of daily life. Even in those times when we are not acting as our best selves. God never gives up on us. You are a precious, brilliant, beloved child of God, not because of what you do, or who you are, but because of the glory and grace of God bestowed on each of us.

Walk through the rustling leaves of fall and listen to the voice of God, naming you His beloved creation. When we see ourselves as God sees us, our life will change. Let your true colors shine through!

In Christ's love,

Pastor Barbara

Family isn't
always blood. It's the
people in your life who
want you in theirs;
the ones who accept
you for who you
are. The ones who would
do anything to see
you smile & who
LOVE YOU
no matter what.

Church Humor:

A married couple never fought, not even once in 25 years of marriage. A friend of the couple asked, "How is that even possible?"

Husband replied, "Well, we went to a ranch for our honeymoon. While horse riding, my wife's horse jumped and my wife fell off. She got up and patted the horse and said "This is your first time." After a while it happened again and she said, "This is your second time". When it happened the third time, she pulled out a gun and shot the horse. I shouted at her and said, Are you crazy?!? You killed the horse!!"

She gave me a look and said, "This is your first time."

A man and his wife are awakened at 3 o'clock in the morning by a loud pounding on the door. The man gets up and goes to the door where a drunken stranger, standing in the pouring rain, is asking for a push. "Not a chance", says the husband, it is 3 o'clock in the morning!" He slams the door and return to bed.

"Who was that?" asked his wife.

"Just some drunk guy asking for a push."

"Did you help him?" she asks.

"No, I did not, it is 3 o'clock in the morning and it is pouring out there!"

"Well, you have a short memory. Can't you remember, about three months ago when we broke down, and those two guys helped us? I think you should help him, and you should be ashamed of yourself!"

The man does as he is told, gets dressed and goes out into the pounding rain.

"Hello, are you still there? Do you still need a push?" calls out the husband.

"Yes, please!" comes the reply from the dark.

"Where are you?" asks the husband.

"Over here on the swing!"...replies the drunk...
